

Policy Title: Releases to News Media - Internal School News Policy No: 1001.02
--

Routine news and information concerning St. Maries Joint School District No. 41's operations or programs will be released by appropriate District employees upon approval of the Superintendent or the building principal responsible for any programs relative to their assigned school.

All other matters representing the official position of the Board of Trustees must be approved by the Superintendent prior to release to the media.
