

Policy Title: Contests for Students

Policy No: 1005.02

All contests for students will be held only with the prior approval of the building principal and will conform to all local and State rules and regulations. Participation in contests by students shall be optional to each student and shall not interfere with instructional programs. The District's schools shall not be used to promote non-student sales, goods, or services via any contest, game, or other activity at any time during the school day without the pre-approval of the Superintendent.
