

Policy Title: Sales Promotions Prohibited

Policy No: 1005.03

St. Maries Joint School District No. 41 does not promote the sale of one product over another product, nor does it encourage students to buy from a particular vendor or supplier.

Student organizations may sell items as a fund-raising project with the prior approval of the building principal. Selling of items or raffle tickets for organizations by students shall be on a voluntary basis. No student will be required or compelled to participate in any fund-raising project.

Advertising of materials and products is not permitted in school buildings, on school grounds, or in school publications without the specific consent of the Superintendent and approval of the Board of Trustees. This shall not be construed to prevent advertising in student publications which are published by student organizations.

Before any distribution of free materials in the schools or on school property occurs, it must have the approval of the building principal and/or the Superintendent.

Solicitations on school premises are prohibited unless the solicitation has been approved by the Superintendent.
