

Policy Title: Compensation for Extra Services

Policy No: 402.09

The Board of Trustees will establish a supplementary salary schedule and guide for special assignments carried on outside of regular hours.

The supplementary schedule will be reviewed annually. Such assignments will be documented on the "State of Idaho Supplementary Contract Form."

The Terms of Employment of the contract shall be in effect as given above for the length of time and extra duty expected, and is separate and apart from any certified employee's regular teaching duties. Supplementary contracts will end with the same term of the certified employee's current contract.

No property rights shall attach to the Contract.

The Contract excludes any expectation of employment beyond the terms given, under procedural requirements of Idaho Code, Section 33-515A.
