

Policy Title: Requirements of the Budget Document

Policy No: 801.03

The Budget document will be prepared in a manner consistent with standard accounting practices and in such form as the State Board of Education shall prescribe. Among other things, the Budget document shall show amounts budgeted for all major classifications of income and expenditures, with total amounts budgeted for salary and wage expenditures in each such classification shown separately. Such Budget document shall also show amounts previously budgeted for the then current year for the same classification for purposes of comparison.
