

Policy Title: Educational Materials Fees

Policy No: 802.02

In accordance with the Idaho Code, St. Maries Joint School District No. 41 does not charge a fee for educational materials. Except for art, shop, and general industrial mechanics, students who construct projects which will become their own property are required to pay for the material used in building the projects. Music students will provide their own instruments if a District-owned instrument is unavailable.

The book deposit fee will be determined by the Board of Trustees and will be returned when a student checks out of St. Maries Joint School District No. 41 to transfer or graduates if no abnormal wear of books is evident. Book deposits will be required for students in grades 6-12.
