

St. Maries Joint School District No. 41 “Committed to Quality Education”

A Message from John Cordell Interim Superintendent

Greetings and welcome to the 2016-2017 school year! I hope you had a wonderful summer break with family and friends and are ready and anxious for the school year to begin.

St. Maries School District is known for its incredible staff and continued commitment to excellence. With the support of staff, students, parents, and community partnerships, it continues to be our mission to be “Committed to Quality Education.”

With the challenge of preparing students to be college and/or career ready, our schools continue to focus on instruction and curricu-

lum, technology, and facilities to better meet these challenges.

We know that students learn best when they are actively engaged in their education. With this in mind, to meet the requirements outlined in the Idaho Core, which includes career and college readiness standards, our staff is committed to reflecting, revising, and modifying instruction and curriculum to better prepare our students for these challenges. In addition, with help from technology grants, this year, at least one classroom set of notebook computers will be available in every building in our district.

We will continue to encourage our students to participate in advanced opportunities – which includes vocational and technical

programs. As we move forward, throughout the year we will update you often through newsletters, local media, and the school district’s website. Please take a few minutes to browse our site – www.sd41.org.

As always, we are committed to providing our students and their families with the very best educational experience. Thank you for your support and involvement in our schools. Together, we can ensure the best possible education for all students.

Have a GREAT school year. Go Jacks!

John L. Cordell

Kindergarten Registration and Screening August 10–11

Heyburn Elementary School will hold its registration and screening for incoming kindergarten students for the 2016-2017 school year on August 10 and 11, 2016.

Registration and student screening will take place at Heyburn Elementary School. Parents should call the District Office at 208-245-2579 or Heyburn Elementary School at 208-245-2025 to make an appointment to complete the registration and screening processes.

Children must be five years of age as of September 1, 2016 to be eligible for enrollment in the 2016-2017 school year.

All new students must present their state certified birth certificate and proof of immunization at the time of registration.

For additional information, please contact Heyburn Elementary Principal Staci Truscott at 208-245-2025 or the District Office at 208-245-2579.

Schools are ready for students September 6, 2016

School starts Tuesday, September 6, 2016. Principals and secretaries will be in their offices on August 16, 2016.

ALL NEW STUDENTS from another school district (Pre-school-12) must present their state certified birth certificate and proof of immunization at

the time of registration. Students must be five before September 1, 2016 to attend kindergarten, and six before September 1, 2016 to attend first grade.

For more information, parents should contact their student’s school two weeks prior to the start of school.

A Message from Christine Ashmead Board Chair

Welcome back to school!

Together we begin the 2016-17 school year with a few new faces, a few changes and a “Commitment to Quality Education” of the students in our community. We look forward to embracing all that goes along with moving forward to meet the needs of our students, staff, patrons and facilities. Our entire board is dedicated to stepping up to today’s challenges that prepare our young people for Work Force Readiness, College Preparedness and Life Skills necessary to succeed.

As chairperson of the Board of Trustees, I would invite the community to follow the direction we are headed for the future of our schools and to participate as much as possible. It is said that it takes a community to raise a child and we have a fabulous one!

It is with great pride that I welcome you all back to school! Go Lumberjacks!!!!

NEW! “Late Start” Mondays

The Board of Trustees for St. Maries Joint School District No. 41 approved a 2016-2017 school calendar that includes fifteen (15) “late start” Mondays spread out over the course of the school year.

The “late start” Mondays will allow teachers to work together to better prepare lessons, develop professionally, and provide a better education for the District’s students.

In order to continue to maximize instruction time, the District has determined the following “late start” days for the 2016-2017 school year: September 12, September 26, October 10, October 24, November

14, November 28, December 12, January 9, January 23, February 13, February 27, March 13, April 10, April 24, and May 8. On the designated “late start” days, school will begin 30 minutes later on the designated dates, with breakfast also being served 30 minutes later.

For the District’s students who ride a District school bus, there will be a slight adjustment to the busing schedule on the 15 designated “late start” Mondays. Adjustments to bussing schedules will be provided to families once school begins and student ridership has been determined.

On the designated “late start” Mondays, UpRiver Elementary School will keep the bus and breakfast schedule that has been followed in prior years.

For additional information on the “late start” Mondays, parents and guardians can contact their student’s schools as follows:

- Heyburn Elementary School 208-245-2025
- St. Maries Middle School 208-245-3495
- St. Maries High School 208-245-2142
- UpRiver Elementary School 208-245-3650

Emergency School Closures

In case of an emergency school closure due to weather, power, or water failure, the announcement will come from the District Office to area radio and television stations via the Educational Service District 101 Alert System for Media Notification Services.

Parents should listen to Spokane television and radio stations or visit the District Web site at <http://www.sd41.org> if they have reason to suspect any school closure. School closures will also be announced locally on KOFE Radio.

St. Maries Joint School District No. 41 Mission Statement:

St. Maries Joint School District No. 41 is dedicated to providing an educational culture that will continually assess the knowledge, changing needs, and challenges of our students and adapt our practices to prepare them to become successful citizens.

St. Maries Joint School District No. 41 Strategic Goals for Improvement:

- I. Student achievement will be improved in all areas.
- II. Promote staff development.
- III. Emphasize communication and involvement with staff and the community.
- IV. Maximize and efficiently use funding sources.
- V. Provide a safe, healthy, and inviting learning environment.

MONTHLY MEETINGS: Unless otherwise posted, the Board of Trustees meets at 5:30 p.m. on the second Monday of each month at the District Office, 240 S. 11th Street, St. Maries, Idaho, with the exception of the October and March meetings which will be held at the UpRiver School.

- ▶ Student Information
- ▶ Staff
- ▶ Calendars
- ▶ Parent Information
- ▶ Sports Schedules

Video Surveillance Cameras

District officials may use video surveillance cameras to ensure the health, welfare, and safety of District students and staff.

Student Transportation

▶ Transportation Director
Paula Queener, (208) 245-3366
215 N. 15th Street
St. Maries, ID 83861

St. Maries Joint School District No. 41's Transportation Department will provide services on designated bus routes starting Tuesday, September 6. There are two routes to accommodate students from the UpRiver area who will be attending St. Maries Middle School and St. Maries High School.

The Transportation Department will hold registration at the transportation office on August 15 and 16 from 8:00 a.m., to 12:00 p.m., to collect information for incoming kindergarten students who will be utilizing bus service.

To ensure transportation after the first week, registration must be completed no later than September 2 with the Transportation Department. Kindergarten parents should contact the transpor-

tation office by phone if they are unable to register their kindergarten in person.

Families with students who are new riders or who have changed locations are also encouraged to contact the transportation office prior to the start of school.

Bus times, stop locations, etc., are subject to change based on student ridership.

For approximate pick-up times and route descriptions, families should contact the Transportation Department at 245-3366 for additional information.

Network/Internet Use Policy

Use of District Technology is a privilege for students and certain rules must be observed.

Shortly after school begins, parents of all students will be sent the "District-Provided Access to Electronic Information, Services, and Networks, Policy No. 502.17" which they will be required to sign and return to their student's school.

If parents elect to enroll their student online through the recently established Skyward Family Access, parents and guardians can review the referenced Policy

online and confirm that they have read and understand the Network Policy.

The Policy defines the terms of use of technology throughout the District. Students and parents will be held accountable for the proper use of technology. Any student who knowingly attempts unauthorized access, damages equipment, vandalizes equipment or other user's data may have their access to technology terminated.

A copy of the entire Policy is available on the District Web site.

Medical Insurance/Medicaid

St. Maries Joint School District No. 41 does not provide medical insurance to automatically pay for medical expenses when students are injured at school or while participating in extra-curricular activities. The District does make student medical insurance avail-

able to families for their individual purchase through an insurance company that provides supplemental insurance services to the District's students.

Additional information can be found on the District's website at: <http://www.sd41.org>.

Student Handbooks & Fees

St. Maries Middle School and St. Maries High School Student Handbooks will be distributed to students during registration. Elementary Student Handbooks will be sent home with students during the first week of school. Handbooks are also available on the District Web site.

Students in grades 6-12 must provide a \$50.00 book deposit at the time of registration. At the end of the 2016-2017 school year, 8th grade students will have their middle school book deposit fee refunded to them. A \$50.00 high school book deposit fee will be required when a student registers at

St. Maries High School. The high school book deposit fee will be refunded once a student graduates or transfers.

At the end of each year, fines may be assessed against students who lose or cause abnormal wear on books. Fines will be subtracted from the \$50.00 deposit. At the beginning of the following school year, students must bring the deposit balance back to \$50.00. Parents will be informed by mail of any amount owed by their student.

Associated Student Body (ASB) activity cards may be purchased

by all middle and high school students. Fees generated from the sale of ASB cards are used to help finance extra-curricular school activities. All high school students participating in extra-curricular activities must purchase an ASB card at a cost of \$30.00. Middle school students participating in athletics must purchase an ASB card at a cost of \$15.00. Middle school students may purchase the \$30.00 high school activity card to get into all home activities.

Gate prices are \$5.00 for adults and high school students without an ASB card and \$2.00 for children.

Section 504 Sexual Harassment

St. Maries Joint School District No. 41 hereby advises students, parents, employees, and the general public that it does not discriminate on the basis of handicap (Section 504), race, color or national origin (Title VI and Title VII) or sex (Title VI, Title VII, and Title IX), and offers employment and educational opportunities without regard to sex, race, color, national origin or handicap.

Grievance procedures are available to interested persons and inquiries regarding this non-discrimination policy may be directed to:

St. Maries Jt. School District No. 41
P. O. Box 384
240 S. 11th Street
St. Maries, ID 83861
208-245-2579

Additional information can be found on the District's Web site at: <http://www.sd41.org>.

The Family Rights & Privacy Act

The right to review and inspect all official records, files and data directly related to students is available to all parents and legal guardians. Additionally, students who are 18 years of age or older, have the right to review their individual records and files.

The District forbids a third-party disclosure of student records unless written consent is given by the parents specifying the records to be released, the reasons for the release, and to whom to be released, or in accordance with judicial order or subpoena.

Additional information can be found on the District's Web site at: <http://www.sd41.org>.

Something NEW – Online Registration

Parents and guardians will find something new when registering their students for the 2016-2017 school year.

Rather than completing the same stack of forms, repeating the same information, year after year for each of their students, parents will have the option to complete the forms online using Skyward Family Access.

The St. Maries School District began using Skyward, the school's student management database, in 2007. Skyward's Family Access was made available to students and their parents in 2010. Since that time, hundreds of parents and students have used the program each year to access their student information, including attendance, test scores, graduation requirements, assignments, and more.

Each parent and guardian is assigned a login and password which directs them to a calendar of all the student's activities, current grades, absences and missing homework assignments. Beginning with the 2016-2017 school year, Skyward Family Access allows online registration and the option of completing the forms from home. While the printed, handwritten forms will still be available during registration, the St. Maries School District staff and administration believe parents will appreciate the convenience and efficiency of the new online registration process.

Online registration for new students to the St. Maries School District is not available, however it is available for returning students, regardless of the school they attended within the District last year.

Middle school and high school parents and students will still need to attend the student registration in order to receive schedules, locker assignments, and pay any dues or fees for the coming school year. Computers with internet access will be provided to parents and guardians during registration at each of the schools in order for users to complete the registration process. Staff will be available to help when necessary.

The School District will mail letters to all custodial parents and guardians prior to opening the online registration on August 15. The letter will include the Login ID and Password for the student's primary guardian.

Once users have their ID and Password, they will be able to login to Skyward. Users who accessed Skyward with their login and password information during the past school year will use the same information for the 2016-2017 school year. Online registration will be available August 15 through September 12. Only student's primary guardian or parent, as listed in the Skyward program, will be able to complete the online registration forms. If, after August 15, parents or guardians do not see the online registration link when they log in to Skyward Family Access, they should contact their student's school.

Skyward and Family Access can be found by following the steps included once users have their Login ID and assigned password.

LOGIN

The Skyward Family Access link is found toward the bottom of the main page of the School District website, www.sd41.org. By clicking on the link titled "Parent Skyward Access" users will find the log-in page for St. Maries Skyward Student Management. Login ID and passwords are needed to access the website. Be certain to select the Login Area: Family/Student Access. This is located toward the bottom of the Student Management Login page.

Login ID is the first five letters of the user's last name, followed by the first three letters of the user's first name, ending in three zeros (000).

Example: If the user's name is Robert Smithson, his log in would be smithrob000.

PASSWORD

Passwords are randomly assigned when a student's information is first entered into Skyward. Each parent and guardian is assigned a password and Login ID.

Current IDs and Passwords will be included in the district's letter. Users are required to change their password after they first sign in.

FAMILY ACCESS

When logged in, the user will see all their students' names at the top of the screen. On the left of the screen is a list of the areas viewable through Family Access. In addition to Online Registration 2016-2017, users see several options including attendance, student info, discipline, etc. To the right, a list of the District's calendar of events will be visible. At the center of the screen, users will see messages and alerts, including the link to the Go to Online Registration 2016-2017 for the user's student(s).

REGISTRATION FORMS

Users will be instructed to complete and submit all forms listed on the right of the registration page and are listed in the order below:

1. Verify Student Information

The information found on the registration form is what was listed in the student's record in Skyward at the end of the last school year. Please read each page and update where necessary. On all pages, the fields in white can be updated by the user and will be sent to the school for the information to be updated. All fields in gray are fields for you to verify but can only be changed by a school official. After completing each page, click complete and move to the next step

a. Student Information

This page includes information about the student, including student birth information, cell phone, etc.

b. Family Address

This is the physical address, and mailing address if different, of where the student and the primary guardian live. Be certain to include a current email address of the primary guardian if the user has one. This will be used for communication and continued access to Skyward if the account password needs to be reset.

c. Family Information

The primary guardian is listed here. This is where phone numbers, email addresses and employer information is updated.

d. Emergency Information

The critical alerts and the primary physician are listed here. When this is left blank by the user, the file will default to the on-call physician at St. Maries Family Medicine/Benewah Community Hospital.

e. Emergency Contacts

This information includes who the school representative will contact when the parents or guardians are not available if the student is ill or injured, and needs to go home or seek medical treatment. All attempts are made to first contact the parents in this case. Users can add or delete emergency contacts listed.

f. Health Information

Update the student's health, allergies, medication and other things the school should be made aware of.

2. Verify Ethnicity/Race

This form includes an explanation as to why the information regarding ethnicity and race are required. Users are able to change or confirm the information on the second page to complete this step.

3. Guardian Internet Usage Policy

Parents and guardians are required to sign this form in order for their student to have access to computers and internet use. By checking the box at the end of the form, users are stating they have read and understand the School District's policy.

4. Confidential Residency Status Questionnaire

This form asks questions regarding the living situation of our students and their family. In some cases students and families may be eligible for assistance under the McKinney-Vento Act. The information is confidential and will only be seen by office staff.

5. Emergency Medical Release

The information included in the Emergency Medical Release is taken from Skyward. Please read and check the information for accuracy. There is space at the bottom of the page for your electronic signature. Note: Changes made to the user's student information in step 1 (Verify Student Information) of the online registration process must be approved by the office staff before it will be updated on this form.

6. Fees Calculations

This form will appear for middle school and high school students to be completed, printed, and submitted during registration times at the individual school. Any fees, dues, book deposits, or yearbook purchases can be paid for at registration. (See dates and times on the district calendar and within this article).

7. Complete Online Registration

If you have any questions or problems please call your student's school.

Child Nutrition Program

St. Maries School District participates in the National School Lunch Program, and the Food Services Department serves wholesome breakfasts and lunches every school day. Special nutritional needs or dietary restrictions can be accommodated by making special arrangements with the Food Services Department. Menus are published monthly and are available from the schools as well as the District Web site.

Bag lunches are also available for field trips at regular school lunch prices. Multiple milk and ala carte items can be purchased for an additional charge. If parents do not want their student to charge additional food items, they can request a form from the Food Services Department to limit their child's purchases.

As a member of the National School Lunch Program, the District can receive federal dollars to support any student qualifying for free or reduced breakfast and lunch. One Application qualifies a student for both
