

Policy Title: Gratuities to District Personnel

Policy No: 1004.01

St. Maries Joint School District No. 41 personnel shall not accept gratuities for services or any act committed while performing their regular duties for which they have been employed by the District.

It is the rationale of the Board of Trustees that acceptance of gratuities by District personnel under such conditions could lead to practices that are not in the best interests of the District and/or its students.
