

Policy Title: Board of Trustees Orientation

Policy No: 202.07

In order to provide new Board of Trustees members with necessary information, the Board establishes the following orientation program for new Board members:

1. Discussion and visits with the Superintendent and other members of the Superintendent's staff;
2. Workshops for new Board members conducted by the State of Idaho and area School Boards Associations;
3. Provision of printed materials related to Board and administrative policies and procedures; and
4. Exchange of ideas through joint meetings with neighboring Districts' Boards of Trustees.
