

Policy Title: Certification

Policy No: 402.02

St. Maries Joint School District No. 41 shall require that each contracted, certified staff member hold a valid Idaho Certificate endorsed for the role and responsibilities for which they are employed. All certificated professional employees must be employed on a written contract in the form approved by the State Superintendent of Public Instruction. The District may withhold the salary of any certificated professional employee who does not hold a valid Idaho certificate.

The District Office will retain a copy of each certified employee's valid certificate in the employee's personnel file.
