

Policy Title: Students Enrolled Under Surnames

Policy No: 501.08

As provided by Idaho Code Section 32-717(a), any student's natural father or mother is entitled to have access to the school's records and information regarding the student. Such access will be accorded the parent upon their reasonable request and upon presentation of appropriate documentation establishing their paternity.

It is the policy of St. Maries Joint School District No. 41 to enroll all students under the legal name given to the student as shown on the student's certified birth certificate as issued by the State in which the student was born.

Surnames of enrolled students may be changed by an order of a court having jurisdiction in the matter.

St. Maries Joint School District No. 41 will not become involved in custodial or other domestic disputes between parents. The District must leave those matters to the parties to resolve between themselves.
