

Policy Title: Planning the Budget

Policy No: 801.01

GOALS AND OBJECTIVES

The goals and objectives of the fiscal management of the St. Maries Joint School District No. 41 include:

1. Strict adherence to the laws governing public school financial operations;
2. Development of a budget that meets District needs and educational philosophy; and
3. Participation in federal and state aid programs relevant to District needs and educational philosophy.

The Superintendent and/or Business Manager shall report regularly to the Board of Trustees on the financial status of the District.
