

**Policy Title: Statement of Guiding Principles**

**Policy No: 900.01**

The primary purpose of the school building program is to provide the means of achieving the educational objectives of St. Maries Joint School District No. 41.

The Board of Trustees shall have full and final responsibility for the selection of sites, employment of personnel, contracting for services, approval of plans, authorization and acceptance of bids, payment for work performed on contractual agreements, and final acceptance or rejection of work done. All of the related actions shall be taken only by official resolutions based upon formal recommendations of the Board of Trustees at legally constituted Board meetings.

The Superintendent shall be responsible for organizing and coordinating the efforts of the various individuals and groups to best achieve the established educational objectives in the building program and for making resultant recommendations to the Board of Trustees.
