

# COMBINED DISTRICT PLAN (2019-2020)

## METRICS AND DEMOGRAPHICS - TEMPLATE PART 2

District # 41	District Name: St. Maries Joint School District
---------------	---

**INSTRUCTIONS:** An annual demographics update is a required part of the Combined Plan. Please provide demographics data using the table below. We encourage you to use the Notes section to specify when the data is from and to use data from similar times of year so that it can be compared across years (most districts provide demographics data based on fall enrollment information, but this is not required). You are welcome to revise the table to provide demographics data for additional years if you would like. If there is additional contextual information about your demographics that you believe will help readers understand the students you serve (or that represent substantial changes in your demographics), we encourage you to provide that in the Notes section below the table (optional).
