

Coronavirus - COVID 19 – How is St. Maries Joint School District Preparing?

Prevention is the best measure!

- **Students, staff, and volunteers should:**
 - Stay home when sick until at least 24 hours after the fever is gone without the use of a fever-reducing medicine.
 - Cover coughs or sneezes with a bent arm or tissue and wash hands afterwards.
 - Wash hands regularly with soap and water for 30 seconds, dry hands with a paper towel, and use the paper towel to turn off the faucet.
 - Try to keep hands away from nose, mouth, and eyes.
 - Avoid sharing food, drinks, cosmetics, or personal care items (lip balm, eye drops, etc.)
 - Those who become sick at school or arrive at school sick will be kept separate from the others until they can be sent home.
- **Custodial Staff will:**
 - Perform daily routine cleaning and disinfection of all frequently touched surfaces. Including desks, countertops, doorknobs, computer keyboards, faucets, handles, and phones. Mandatory
